

DAY TOUR - 20.05.2017.

EXPERIENCE THE ISLAND OF BRAČ

Join us on this great tour made for all food and history lovers. Perfect combination of sightseeing and tasting will satisfy all of your wishes. This tour starts from Bol with a transfer to Škrip; the oldest village on the island, but also “Museum on the open”.

We will walk through the old part of Škrip, all the way to viewpoint where you will see small village of Dol, famous for our Hrapoćuša cake (We will practice to pronounce it :) which is even called aphrodisiac from Brač island. After visiting this part of Škrip we continue to the Museum of the island and Museum of olive oil where you will learn everything about the olive oil production and tradition. You will be served with tasting of a local products; olive oil, black and green olive paste, cheese, jams, liqueur and a glass of wine. For Brač island we say that is heaven for all foodies. After this delicious break, we continue to Donji Humac, place well known for our famous white stone. This village is full of small family workshops and even 9 quarries surround this place. We will visit gallery Jakšić, very talented local family who have tradition in stone for 112 years. Guided walk through workshop, atelier and gallery will definitely impress you. You will hear everything about our white stone (even part of White house in Washington is built from this stone) and stonemasonry tradition. After this story you will see their sculptures, paintings, jewellery and souvenirs. For the end of this authentic tour, we will stop on Vidova gora, highest peak of all islands in Adriatic Sea. You will enjoy this stunning view for a while before our returning to Bol. Enjoy your experience of Brač Island!
